

# U3A North Gold Coast Inc.

## Conditions of Membership

Members of U3A North Gold Coast must be in retirement or semi-retirement and over the age of 50 years and agree to the Registered Rules of U3A North Gold Coast; the Conditions of Membership and Code of Ethics.

All applications for membership are approved by the Management Committee at the next available meeting. Until approved, anyone joining online can attend classes at member rates.

Members are encouraged to consider volunteering their time, to assist in some capacity, to ensure U3A North Gold Coast continues to function effectively.

We ask that your membership badge is worn at all times whilst at U3A classes and functions - this is for insurance and security purposes and as a courtesy to tutors and other members.

All classes are subject to tutor and venue availability and sufficient numbers of members wishing to participate.

Entry to a class is undertaken by applying online through the U3A website. If you have not nominated for a class online, you will not gain entry to that class.

Please be on time for your class if at all possible 15 minutes early would be most appreciated.

We ask that your mobile phone is turned to silent, prior to attending a class or when attending a meeting.

The classrooms must be left clean and where applicable, seats must be stacked as per the Gold Coast City Council requirements.

The above conditions ensure that U3A North Gold Coast members and tutors enjoy both the classes and the company of other members.

Your non-compliance with these rules may preclude your continuing membership.
